

Day 1

Math

Draw a snowman using

3-circles for the body

5- circles for buttons

2- circles for eyes

1- triangular nose

4- squares for the mouth

1- large square for the hat

2 arms

Any accessories you desire

Writing/Reading

Write your first and last name 3xs each

Extra

Match up pairs of socks, gloves/mittens, and or shoes correctly

Day 2

Math

Sort a handful of coins into correct piles of pennies, nickels, dimes, and quarters

Writing/Reading

Place a glob of shaving cream on a plate and pretend it's snow. Trace at least 12 different upper case letters in it. You can use table salt in place of shaving cream

Extra:

Help set the table placing silverware to the right of the plate and a cup on the left

Day 3

Math

Roll a dice, count the dots, then draw the dots and the correlating number on a piece of paper. Example:

●●● 3

Writing/Reading

Read your favorite book with an adult. Retell the story in proper sequence. Then draw a picture about the story.

Extra

Using play dough make berry pies and snakes
