

Mrs. Hall's Blizzard Bag Activities

1st Snow Day—Lesson 1: Have an adult write your name in dots and practice tracing it several times. Once you've done this, then try to write your name by yourself! Be sure to bring it to school so we can see how you did! ☺

2nd Snow Day—Lesson 2: Go on a Color Hunt! Look around your house and have an adult help you write down some things you find that are any of the colors: red, blue, yellow, orange, green, purple, brown, or black. We're anxious to see what you find! ☺

3rd Snow Day—Lesson 3: Today you'll be going on a Shape Hunt and Counting! Have an adult help you look and see how many squares, rectangles and circles you can find in your house. Then have them help you write those numbers on a piece of paper so we can see what you come up with. ☺

We hope you all enjoy your Snow Day! Stay warm and drink lots of hot chocolate! ☺

Love and Blessings!
