

Dear Prospective Family,

Thank you for your interest in Ross County Christian Academy. RCCA is a private Christian school chartered by the Ohio Department of Education. The school was founded in 2007 with only 23 students. Currently, nearly 400 students are enrolled in grades preschool through twelfth grade. We emphasize the development of Christian character, love for America, a safe and orderly learning environment and a low teacher-student ratio.

Academically, RCCA offers a challenging curriculum that is aligned with the Ohio Content Standards. Our students typically score 30-35% higher on achievement tests when compared to public school students. At the high school level, the school offers College Credit Plus classes which allows students to earn college credits while still in high school.

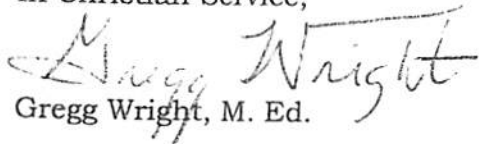

Our teachers are extremely well qualified. Several have earned advanced degrees. All of them care deeply about children and have devoted their lives to Christian ministry in an educational setting.

The best way to know if RCCA is a good fit for your child is to visit one of our campuses. Call the Brookside number (740-772-4532) if your child is in grades K-3. Phone the Lighthouse number (740-?) for students in grades 4-6. Our website www.rccacademy.org has information on tuition, special activities, curriculum and necessary enrollment forms.

Since RCCA is a charter school state scholarships are available. Many students attend the school with a 100% tuition voucher!

May God bless you as you search for the best way to, "Train your children in the way they should go". (Proverbs 22:6)

In Christian Service,

Gregg Wright, M. Ed.
