Parenting Tip- You Read the Bible to Learn Who God is (Father, Son, and Holy Spirit) and What He Has Done and Is Doing.

As children move through this stage (Ages 7-9), your children may want more and more to know why it's so important to read the Bible. Their questions usually will flow from curiosity, not doubt, as they look for information to back up their faith and for a reason to keep reading the Bible.

Let them know that the Bible is a living book. The Holy Spirit uses it to teach them to deal with whatever they're facing. It applies to their lives.
