Preschool Enrichment Classes- Our staff has been offering these classes for the past two years. Our goal is to provide additional, higher-learning opportunities and experiences for our preschoolers. These lessons are offered weekly. Examples of some topics that have been taught include: states of matter, seed planting, how things dissolve, coin value, measurement, one-on-one correspondence, geometrical shapes, estimation, environmental print identification, charting and graphing and much more! They have gotten to use optical tools such as microscopes and telescopes. They have also made cookies, ice cream, and planted flower and vegetable seeds! We have had a great response from these classes. We are thrilled to continue offering them!

Parenting Tip- Use the Bible and what it says as the foundation for your own life first.

Where do we parents go when we need guidance and help? We need to live our own lives by the Bible's principles. We need to apply ourselves not only to learning the Bible but also to learning how to better learn from the Bible. There are lots of great books available on how to use and study the Bible. We need to allow our children to see our own commitment to learning God's Word and to allowing Him to speak to us and change us through it.

Security Officer- We have a new school security officer. His name is Joe Minney with the Ross Co. Sheriff's Department. If you see him please let him know how much he's appreciated and say hello!

Dear Parents & Faculty,

You should have received your walk brochure last week.

THANK YOU in advance for participating and being a part of purchasing LAND & BUILDING.

Remember 100 walkers raising \$200 would reach our \$20,000 goal!

Earn a **FREE T-shirt** for every \$200 in pledges!

I encourage you to ask your friends and family and don't forget you could sponsor yourself. It all adds up!! If you aren't able to make it, please drop of your pledge sheet at Yoctangee Park or bring to the secretary office at school.

I have so much enjoyed partnering with you and RCCA and looking forward to seeing you at the walk. My prayer is that you will have the passion and vision for the future Ross County Christian Academy.

If you have any questions, please don't hesitate to give me a call at 740-600-1627 or email me at beard207@gmail.com.

Blessings,

Brenda Beard
