**Sports News-** We are still very busy with T-ball and volleyball conditioning. Our bowling team competed against the middle/High school staff last week which was a lot of fun! New score boards are going up due to the efforts of our ambitious athletic director and donations from the community. Athletes remember to stay in shape over the summer by staying active!

**PTF News-** The book fair is wrapping up! Thank you to all the volunteers that helped out. Especially Sue Peecher-the book fair queen! We are taking nominations for a new president. Please consider donating your time and talents for our students for this upcoming school year.

**Band News-** Our band will perform for the students Friday at L.H. the last period of the (2:10) day. This will be a treat for the students.

*The grace of our Lord abounded exceedingly with faith and love which is in Christ Jesus.*

**Missions/Outreach-** Keep the five children whom we support through World Vision in your prayers throughout the summer. Challenge your students to pray for one child each day. Also, we only have one chapel left at each campus. We need significant offerings to support our kids through the summer.
