Secret Encouragers- Thanks from the entire staff to our encouragers, especially Mrs. Strauch and Mrs. Reisinger who coordinated the ministry.

Terra Nova Testing- RCCA students averaged an amazing 33 percentile points above the national average. This is a powerful testament to the hard work of the teachers, your kids, and parents.

Grandparents Day- Thank you teachers, volunteers, etc. for doing such a great job celebrating grandparents.

Parenting Tip- Life Is Your Classroom

When someone is learning how to fix a transmission, his practical training would probably take place in a garage. If the topic were football, the practical training would take place on the football field. In our case, the topic is the foundational principles and concepts that are to govern who we are, our behavior, our lives, and our relationships with God and others. Therefore, the practical training needs to take place in a relevant venue; moment by moment, day by day, in the hustle and bustle of everyday life.
