Transportation- If your child is not going to ride a bus, is getting picked up by someone else, etc. please call the designated campus and let the secretary know this information. Also, if your child will be absent it is also necessary for a parent/guardian to call and inform the office. ***All transportation changes need to be called in no later than 2:15pm in order for staff to be notified of these changes*** Thank You!

You can't choose your children's friends; after all, they may not click with the same personality types you do. But you can choose the environment from which they take their friends. Make it easy for them to spend time with Christian children. Drive them to church events, have Christian children over, encourage return visits.
