Parenting Tip- You Can Do All God Wants You to Do

God wants you to go to church. Church is God's idea, and for good reason! It's meant to be part of every Christian's learning and support system. To show your children that church is vital, involve them in it at the earliest possible age. Take them to the nursery or Sunday school; make sure they're comfortable and secure. If your children have trouble staying when you leave, remain and help if you can for the first time or two. Help them enjoy being there so that they'll gain a positive view of church.

As soon as your children can understand, tell them why you go to church: to learn about God, to celebrate His greatness, and to be with others who love him.

Blessed are the pure in heart, for they shall see God.
