A Season of Giving

Every year we choose a local organization to help support during the Christmas season. We've supported Operation Christmas Child this year, as our international organization, and we've collected canned goods, mittens, and hats for Chillicothe families in need. This year, however, we've decided to try something new! We have selected a few families in need of assistance and encouragement this Christmas season. We would like to bless them by purchasing food, household staple items, toiletries, and/or Christmas gifts for their children. If they need help to pay a gas, electric, or water bill, we might be able to assist them this month also. The families have carefully been selected and verified to ensure they are in need of support. If you are interested in partnering with us, to bless a few families in our community this season, please do so by sending a monetary donation, in any amount, to school no later than December 10th. Your help is greatly appreciated and necessary. We really want to bless these families and show them the love of Christ! Please feel free to contact the school if you have any questions or concerns. Have a blessed holiday season, and thank you in advance for your donation.
